

**2023 Asia Conference on Artificial Intelligence, Machine Learning and
Robotics (AIMLR 2023)**

Bangkok, Thailand | September 15-17, 2023

27 February, 2023

Name: Assoc. Prof. Ata Jahangir Moshayedi

Affiliation: Jiangxi University Of Science And Technology, China

Dear Assoc. Prof. Ata Jahangir Moshayedi,

2023 Asia Conference on Artificial Intelligence, Machine Learning and Robotics (AIMLR 2023) will be held in Bangkok, Thailand during September 15-17, 2023, we cordially invite you to join the Conference as Technical Program Committee Member, to share your ideas with other researchers, engineers, developers and practitioners from academia and industry working in all major areas and interdisciplinary areas of artificial intelligence, machine learning and robotics.

Thank you for your support to the conference and we look forward to seeing you in Bangkok. If you require further information on the conference, feel free to contact us.

Yours sincerely,

Catherine Liu

Catherine Liu (Conference Director)
