Letter No.: SASE20230915110

Date: Sept. 15, 2023

To: Ata Jahangir Moshayedi, Jiangxi University of Science and Technology, China

Dear Assoc. Prof. Ata Jahangir Moshayedi,

Warmest greetings!

On behalf of the organizing committee, we would like to invite you to join International Technical Committee of **2024 2nd International Conference on Robotics, Control And Vision Engineering (RCVE 2024)** to communicate with other researchers and scholars who are working in a wide variety of scientific areas with a common interest, which will take place in **Hong Kong** during **July 19-21, 2024**.

The conference is sponsored by Society of Advanced Science and Engineering, technically sponsored by The University of Hong Kong, which aims to provide a platform for scientific researchers in the fields of robotics, control and vision engineering to exchange ideas and explore new cooperation opportunities. The details of the conference are shown in the official website: <https://www.rcve.org/>

We sincerely wish you could accept the invitation and look forward to seeing you in RCVE 2024!

Best Regards,

Hannan (Hanna) Chen
Conference Director of SASE
