

Invitation Letter

Dear Assco. Prof. Ata Jahangir Moshayedi (Jiangxi University of Science and Technology),

The 2023 5th International Conference on Communications, Information System and Software Engineering (CISSE 2023) will be organized as a parallel session of the 5th International Academic Exchange Conference on Science and Technology Innovation & Inaugural Meeting of IEEE PES Smart Buildings - Loads - Customer Systems (SBLC) Technical Committee (IAECST 2023) and held from December 8 to 10. We warmly welcome previous and prospected authors submit your new research papers to CISSE 2023, and share the valuable experiences with the scientist and scholars around the world.

We (AEIC Academic Exchange Information Center) cordially invite you, Assco. Prof. Ata Jahangir Moshayedi to attend CISSE 2023 and be a member of Technical Program Committee and session chair. And we believe that your support will be highly important to the success of this conference.

CISSE 2023 is to bring together innovative academics and industrial experts in the field of Automation Control, Algorithms and Intelligent Bionics to a common forum. The primary goal of the conference is to promote research and developmental activities in Communications, Information System and Software Engineering.

If more information is required, please contact conference secretary.
