

PEECT 2023

2023 Asia Conference on Power, Energy Engineering and Computer Technology (PEECT 2023)
Online, Zoom Jul. 21-23, 2023

Name: Assoc. Prof. Ata Jahangir Moshayedi

Affiliation: Jiangxi University of Science and Technology

Dear Assoc. Prof. Ata Jahangir Moshayedi,

We are glad to tell you that 2023 Asia Conference on Power, Energy Engineering and Computer Technology (PEECT 2023) will be held **Online by Zoom** due to the schedule of experts and participants on that day conflicts with our meeting time, most of them cannot attend the meeting offline. It is sponsored by The International Society for Applied Computing (ISAC) and The Technical Institute for Engineers (T.I.E.).

PEECT 2023 is intended as an international forum to bring together academicians, scientists, engineers, and researchers working in the fields of Power, Energy Engineering and Computer Technology to exchange views, share their expertise, experience and research results, and discuss the challenges and future directions in their specialized areas.

We cordially invite you to attend our Conference to share your ideas with other researchers, engineers, developers and practitioners from academia and industry working in all major areas and interdisciplinary areas of Advanced Information Science and System.

Yours sincerely,

Linda Ye (Conference Director)
