

***The 5th International Conference on Computer Systems and
Communication Technology
(ICCSCT 2023)***

Date: 24-25 November, 2023
Venue: Kuala Lumpur, Malaysia
Website: <http://www.iccsct.org>

INVITATION LETTER

Dear Dr. Ata Jahangir Moshayedi,

On behalf of Organizing Committee of ICCSCT 2023, I am very pleased to invite you as a **Session Chair** to attend the forthcoming The 5th International Conference on Computer Systems and Communication Technology to be held in Kuala Lumpur, Malaysia from November 24-25, 2023.

The aim as well as objective of ICCSCT 2023 is provides opportunities for the delegates to exchange new ideas face-to-face, to establish business or research relations as well as to find global partners for future collaborations. It will offer you a good opportunity to know about the latest research result and new ideas in the fields of Computer Systems and Communication Technology. We hope that the conference results could to significant contributions to the knowledge in these up-to-date scientific fields.

We trust that your attendance will make a valuable contribution to the success of The 5th International Conference on Computer Systems and Communication Technology (ICCSCT 2023).

We warmly invite you, and looking forward to your attendance!

Conference Date: November 24-25, 2023
Format: Online
E-mail: committee@iccsct.org
