2023 2nd Asia Conference on Algorithms, Computing and Machine Learning (CACML 2023)

Shanghai, China March 17-19, 2023

Name: Prof. Ata Jahangir Moshayedi

Affiliation: Jiangxi University of Science and Technology, China

Dear Prof. Ata Jahangir Moshayedi,

2023 2nd Asia Conference on Algorithms, Computing and Machine Learning (CACML 2023) will be held in Shanghai, China during March 17-19, 2023. It is sponsored by The International Society for Applied Computing (ISAC) and The Technical Institute for Engineers (T.I.E.).

CACML 2023 is intended as an international forum to bring together academicians, scientists, engineers, and researchers working in the fields of Algorithms, Computing and Machine Learning to exchange views, share their expertise, experience and research results, and discuss the challenges and future directions in their specialized areas.

We cordially invite you to attend our Conference to be the Session Chair and share your ideas with other researchers, engineers, developers and practitioners from academia and industry working in all major areas and interdisciplinary areas of Algorithms, Computing and Machine Learning.

Yours sincerely,

Linda Ye (Conference Director)
