

# The 3rd International Conference on Mechatronic Automation and Electrical Engineering (ICMAEE 2025)

November 6-8th · Kunming, China

Associate Prof. Ata Jahangir Moshayedi

Jiangxi University of Science and Technology, School of Information Engineering

Dear Associate Prof. Ata Jahangir Moshayedi,

I trust this message finds you in good health. I am delighted to extend a formal invitation to you as the keynote speaker for the 3rd International Conference on Mechatronic Automation and Electrical Engineering (ICMAEE 2025), taking place virtually on November 7th. This international conference is set to be an event that brings together a diverse array of experts, practitioners, and thought leaders in the realms of Mechatronic Automation and Electrical Engineering. With intelligent mechatronic systems and electrical innovations converging at an unprecedented pace, this conference offers a vibrant forum to explore the synergies between automation, precision mechanics, and next-generation electrical engineering.

We firmly believe that your wealth of expertise and insights would significantly enhance the success of our event. Your presentation is scheduled for November 7th, with an anticipated duration of approximately 30 minutes.

Our primary objective is to unite scholars, researchers, and practitioners from around the world to discuss the latest theories, practices, and trends in mechatronic automation and electrical engineering. Your participation would be a valuable addition to our conference, and we are confident that your presentation will captivate our attendees. In addition to your presentation, we invite you to partake in free discussions, interact with fellow speakers and attendees, and network with other professionals in your field.

Should you have any specific requirements or preferences for your presentation, please feel free to communicate them to us, and we will make every effort to accommodate them. Should you have any inquiries or require further information, please do not hesitate to reach out to me.

Thank you for taking the time to consider our invitation, and we sincerely hope to have the privilege of welcoming you to our conference.

Warm regards,

ICMAEE Conference Team
